Watch Week 5 video, and complete discussion questions before the next meeting.

Optional Additional Application

Pick a meal this week to fast and pray for the lost.

Throughout scripture we see the importance of fasting. Kings fell to their knees in the face of overwhelming odds (2 Chronicles 20:3), our Lord molded fasting (Matthew 4:2), and He instructed it (Matthew 6:16). Fasting is a heart cry for God himself and for Him to move. It is a trying of our faith; do we long for an answer more than even the basic necessities of life?
