Week 6 - Group Discussion

PRACTICE

Share the GOSPEL with your partner.

ACTION

How did you do with your action step?

How Do We Share?

1. Read Colossians 4:5-6. **How are we to act and speak towards outsiders?**

2. Read 1 Corinthians 13:1-3. **What is the most important component of our witness, and why?**

3. One of the best ways to lovingly and winsomely share the Gospel is through your testimony.

Role play your 500-word testimony with your partner. Pretend that you have just asked, "Can I share my story with you?" and they have responded positively.

4. What experience have you had sharing with other religions?

5. Let's get specific. Pretend you are already through the SHARE process, they are open, and you have identified their worldview with the question, "Where are you on your spiritual journey?"

What questions could you ask that may direct the conversation to the Gospel?

a. Muslim —

b. Atheist —

c. Religious Person (someone who believes in the Bible) —

d. Someone who is disillusioned with religion (or sick of religious people) —

The Christian apologist Ravi Zacharias said, "Apologetics is the seasoning, the Gospel is the main course. If you add too much seasoning, you will ruin the main course." We must always remember that the Gospel is the power unto salvation (Romans 1:16), and it is God who saves.

6. Read Ephesians 6:19-20. **Finish with prayer for one another.**

Week 6 - Application

Start - Day 1

PREPARE

Pray daily for your My 5 and opportunities to show Christ's love to them.

Suggestion: use habit forming techniques such as marking your calendar, setting a daily alarm, praying while doing regular daily activities (e.g., brushing your teeth).

Continue - Day 2-4

PRACTICE

1. Write out your two-minute answer to "Why do you believe what you believe?"
2. Print out your MyStory tracts. (See Appendix B.)

Complete - Day 5-6

ACTION

1. Share the Gospel with a non-believer this week. **Who comes to mind?**
2. Participate in your scheduled Friday Go Team.
3. As followers of Jesus, we want to multiply ourselves. **Who are you going to train to share their faith this week (SHARE, GOSPEL, Minute-to-Witness)?**

Optional Additional Application

Pick a meal this week to fast and pray for the lost.

Throughout scripture we see the importance of fasting. Kings fell to their knees in the face of overwhelming odds (2 Chronicles 20:3), our Lord molded fasting (Matthew 4:2), and He instructed it (Matthew 6:16). Fasting is a heart cry for God himself and for Him to move. It is a trying of our faith; do we long for an answer more than even the basic necessities of life?
